Motion made and seconded to adopt the article. 22 in favor and 0 opposed. Motion carried.

Article XV. To see whether the voters will approve a regulation prohibiting the use of any land not presently so used for the keeping of any animals (including poultry) for sale, lease or other commercial use without securing a permit for such use from the Selectmen, which permit shall be granted for one (1) year, and renewed annually, if the Selectmen find that such use, or continued use annually, thereafter, will not constitute a public nuisance or health hazard, and that the user in furthering such use is and will continue to meet all of the requirements of the pollution, sanitation, slaughter, health and other pertinent and applicable laws of the State of New Hampshire. The Selectmen explained they could get an injunction and stop the party from raising the animals that were causing the health problems. The selectmen thought they could go down to the party's house and discuss the matter with him and try to work something out

to solve the problem. They also said they were presented with a petition signed by the families living in the area asking something be done. The Selectmen said they would give the party a month to clean up this problem and if no attempts were made to do so in that month, then they would be forced to go through with the injunction. Motion carried.

Article XIX. To transact any other business that may legally come before said meeting.

Mr. Norwood thought the people might be considering closing some of our back roads which are no longer passable with a car. He said either close them or make them passable. By closing them, the town would not be responsible if someone got stuck or banged a car, trying to go over them. The roads have to remain open in case of fire, but could be closed subject to gates and bars.

A motion was made and seconded that the person who owns the house on the Branch Road, which had a fire a few years back, be approached and asked to clean up the mess.

Motion made and seconded that the meeting be dissolved. The meeting was dissolved at 10:26 P. M.

The polls having been declared closed by the pro-tem moderator, the ballots were examined and counted and the votes for the various candidates were tallied by the pro-tem moderator, in the presence of the clerk and other election officials. When the counting was completed the results were declared and publicly announced by the pro-tem moderator.

Respectfully submitted,

PATRICIA A. FIFIELD

Roxbury town clerk

AUDITOR'S CERTIFICATE

To the Selectmen of Roxbury:

This is to certify that I have audited the books of the Town of Roxbury for the year ending December 31, 1968.

I have examined the books and records of the Town Clerk, Town Treasurer, Tax Collector, Road Agent, Selectmen and Trustee of Trust Funds (including an examination of the securities). I find that the books and records of the town reflect its true financial condition as of December 31, 1968, to the best of my knowledge and belief.

I find that the Town Clerk, Town Treasurer, Tax Collector, Trustee of Trust Funds, and Constable are bonded by surety companies as required by law. Uncollected taxes reported by the tax collector have been verified by written notice.

I would like to thank the town officers for their cooperation and assistance during the period of the audit.

Respectfully submitted,

OLIVER F. DERBY

Town Auditor

CONSTABLES REPORT FOR THE YEAR JANUARY 1, 1968-DECEMBER 31, 1968

I had 4 calls for breaks into summer homes. To date one has been solved.

We have had problems with cars being parked on the roads all night. Especially when slippery.

Have had problems with dogs. Folks not wanting to pay their dog tax and allowing the dogs to run all over town.

Have had a number of calls on a prowler. To date he still eludes us.

Have had to investigate several accidents. Nothing serious.

Have had problems with people parking on the roads at night and leaving their trash.

Have had a few family brawls, but no arrests.

Have had a number of complaints on speeding cars.

The dogs seem to be our biggest problem.

Respectfully submitted,

ROBERT E. FIFIELD

Town Constable
